

HELLO YEAR SEVEN

As we haven't been in school the last few weeks we have not been able to do any of our legendary assemblies so here are a few slides for myself, Mr Watkins, to pass on some messages.

I hope all of you are safe and well.

As you are all aware, your form tutors, myself and Mr Woodland have been getting in contact with you and your families over the last few weeks.

It has been great to speak to you and your families and hear that you are all doing so well and that you are working hard on your school work.

I know I speak for all staff when I say that we are missing you all!

STAYING
CONNECTED

As we haven't had our usual assembly for so long I thought I would use this one to introduce you to the newest member of the Watkins family, Bonnie.
Born March 6th 2020.
(She isn't always this happy!)

At this time of lockdown it is important that everyone keeps up to date with work that is being set so that we can carry on where we need to be when back at school.

As a result, staff are using Google Classroom to set work for all pupils.

The standard of work being received at the moment is amazing so please keep that going. However, there are still some subjects that have not got the full amount of pupils in the classroom.

Please could you join all the classrooms for the subjects you do in order to have all the work that is set. We do not want you falling behind.

Working Hard

A6amxf4

(Google Classroom Code)

I have set up a Google Classroom just for year 7. Please could you join this classroom as I will be posting messages on there for the year group.

**I WILL NOT BE PUTTING
EXTRA WORK ON THERE FOR
YOU**
(so don't worry!)

The most recent year 7 pupil of the week goes to Libby Davies for an amazing piece of work handed in for English. Da Iawn Libby!

Yes I have shaved off my hair!

My son and I have been doing our daily exercise by going for walks (social distancing from others). On our walks we have seen some fantastic views. We are so lucky to have this on our doorstep.

Keeping Healthy

Myself and the football team I play for wanted to help the NHS and decided to do a charity run (independently). Between us we ran 200 miles and managed to raise £1,825 for the NHS -Aneurin Bevan Local Health Board.

Stay Home
Take Care

The text "Stay Home" is on the top line and "Take Care" is on the bottom line. The letters are in a bold, black, rounded font. There are several decorative icons: a light blue flower with a yellow center on the top left of the 'S'; a small orange flower on the top right of the 'o' in "Home"; a rainbow arching over the 'e' in "Take"; a large blue flower with an orange center on the right side of the 'e' in "Care"; and a red heart with three yellow sparkles on the bottom right of the 'a' in "Care".

Stay
Safe
