5th January 2021

Dear Parents/Carers

As I am sure you are aware Welsh Government announced late yesterday that schools in Wales will now be closed for all but vulnerable pupils and the children of key workers until at least Monday 18th January. I would anticipate (but cannot guarantee) that this date might be extended in the coming weeks. This means that the arrangements that I described to you yesterday have now been extended by a week in the first instance. If you are having any difficulty accessing Google Classroom provision please contact the relevant staff. Please rest assured that continually improving our online provision is a very high priority for all of us at present.

Can I personally thank all those parents who took the time yesterday to send their best wishes for the start of my tenure at the school. It is very much appreciated at even the best of times but that is especially the case in the current circumstances.

Regards,

Mr. J.Hicks
Headteacher
