PIC•COLLAGE

Miss Jones is currently on a sabbatical, learning to speak Welsh. She has started using Google Meet to teach children in two classes as part of her work. It's been lovely to have her back (virtually) and the children have enjoyed her sessions.

All Foundation Phase pupils have returned happily to school with beaming faces and even bigger smiles from parents!! We have been blown away by their resilience at such a young age and humbled by the pure joy they take from learning alongside their peers in school. What a wonderful return to school and some normality at long last.
