19th July 2021

Arrangements for 'Results Day', August 12th 2021: results to be communicated via email rather than on site.

Dear Y10/11 Pupils (and Parents/Carers),

As you are aware, the school has now concluded the Stage 1 Review Process and forwarded Provisional Centre Determined Grades for all qualifications in Year 11 (***plus GCSE English Literature in Year 10***) to the WJEC.

Final [GCSE] Centre Determined Grades will be formalised by the WJEC and then returned to the school in readiness for 'Results Day' on Thursday, August 12th 2021.

Rather than inviting pupils to the school site to collect CDG results in person, we will follow the same approach to Results Day as that of last year meaning that Centre Determined Grades will be emailed and posted to pupils on the morning of August 12th.

Further information regarding the Stage 2 WJEC appeals window (24th August – 21st September), plus differing appeals arrangements for subjects such as GCSE Sociology, will also be made available at this time.

Thank you,

The Senior Leadership Team
Islwyn High School.
