## SSRB School Council

We have been working hard to develop pupil voice within the SSRB this half term. To do this, we have established a new SSRB School Council that is made up of a class representative whose role is to share the ideas and opinions of their peers with staff and the SSRB leadership team. Council members have also began working alongside the wider IHS School Council, representing SSRB within the wider school community. We look forward to seeing what else the SSRB School Council achieve this year.

## Events and Trips

It has been a busy half term for events and trips. Here are some pictures to show you what we have been up to!

## Criw Cymraeg

This half term Criw Cymraeg have been working hard to improve the use of Welsh in and around the SSRB. Criw Cymraeg are already having a massive impact on developing Welsh in the SSRB. This includes putting up new bilingual signage as well as supporting other pupils and staff to use Welsh whenever possible. **Don't forget that you can earn a 'Tocyn Iath' for using your Welsh in the SSRB!**

**Mrs Hart's Message:** I hope that this message finds you well. I am pleased to report that the term is off to a wonderful start, and all of our pupils have settled in well into their new classes. A special welcome to our new Year 7 pupils. It's been great seeing you become a part of our SSRB community. It's great to see so many of our pupils getting involved in the SSRB School Council and Criw Cymraeg, their enthusiasm and commitment to school life is truly inspiring! As we look ahead to the next half term, we are excited to begin preparations for our upcoming concert. The pupils will be working hard to put on a fantastic show, we can't wait to share it with you all. Thank you for your continued support, and we look forward to an exciting and productive school year.
