## Events and Trips

It has been a busy half term for events and trips. Here are some pictures to show you what we have been up to!

## Mrs Hart's Message:

As we approach the final half term of the school year, I would like to extend my thanks to all of you who attended our recent Person-Centred Planning (PCP) meetings. Your ongoing support and collaboration are vital in helping us meet the needs of all our learners and ensure every child feels seen, heard and supported. Only a few remaining!

This term, we have thoroughly enjoyed our continent topics across the SSRB. It has been great to see pupils so engaged. They have all been working hard, sharing ideas, and most importantly, having fun. The creativity and enthusiasm shown by our learners has been fantastic.

Looking ahead, we have lots planned for our final few weeks of this academic year together. Singing practice is well underway, and there is a real sense of excitement in the air as we begin preparing for our end-of-year celebrations.

Thank you, as always, for your continued support.

## SSRB School Council

The SSRB School Council are in the process of developing our garden, with council members working towards making the outdoor space a more inviting place for our pupils to spend time in throughout the seasons.

So far, they have removed weeds and cleaned up any litter that they have found. They are now beginning to plant a variety of vegetables and plants in our refurbished planters.

## Criw Cymraeg

Criw Cymraeg have worked very hard this half term, having prepared a presentation on the importance of promoting Welsh in the community. They then presented their work to their peers and staff in our weekly assembly. The presentation was a great success. Da iawn chi!
